

# Coming Soon!

Byte provides 24/7 access to fresh meals, snacks and drinks from high quality brands you'll know and love.

## HOW IT WORKS

### 1. SWIPE

Just swipe a credit card to open the door. Don't worry - you won't be charged unless you decide to take an item from the fridge.

### 2. GRAB

Byte is like a refrigerator at your home. You can pick up and look at the food before deciding to buy it.

### 3. GO

Found something you like? Just take it out and close the door. Byte's smart technology will know what you took and charge you accordingly. Enter your email address to receive your receipt.
