

# Step 1: Build Your Shopping List

## Step 2:

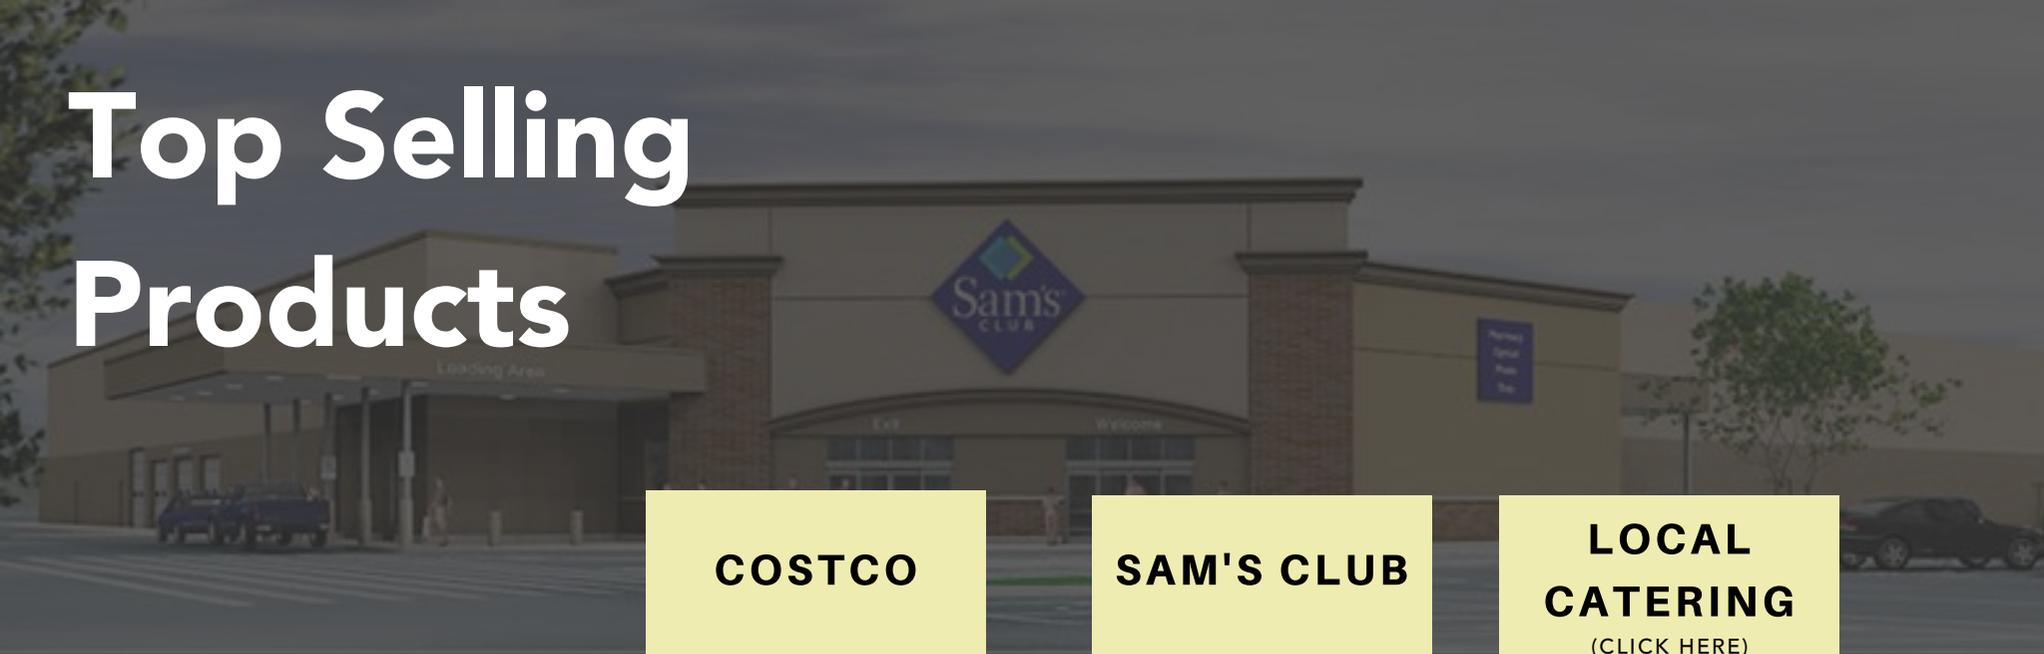

Stocking the right food is critical.

Your selection needs to delight customers. Offering snacks, drinks and meals is important for driving repeat traffic throughout the day. An easy way to expand your offering and boost sales is to buy food from wholesalers and sell it direct through your Byte fridge.

Stores like Costco, Sam's Club and local catering companies\* are ideal sources for delicious grab 'n go products.
